Page 1: Before you begin

Thank you for your interest in the GW4 BioMed MRC Doctoral Training Partnership.

Please ensure that you read the guidance materials on our website for information regarding the application process before you apply.

You will need to keep a copy of your answers as it is not possible to save or edit your applications and the DTP will not be able to retrieve any lost information from the server. You can find a copy of the survey questions in the guidance materials on our website to help you prepare your responses.

The deadline for applications is 5 pm on Monday, 23rd November 2020.

We wish you luck with your application!

Data Protection

For the purposes of this survey, Cardiff University is the data controller. All data collected in this survey will be held securely by the survey software provider (Jisc) under contract and then retained by the GW4 BioMed DTP in accordance with the General Data Protection Regulation (2018). Data from the survey, including answers to questions where personal details are requested, will only be used by the GW4 BioMed Doctoral Training Partnership to monitor student progress.

Cookies, personal data stored by your Web browser, are not used in this survey.

14. The Doctoral Training Partnership aims to bring together different academic disciplines. Please select the most appropriate discipline(s) for yourself based on your recent study/experience. *Required

- Medicine & dentistry (clinical)
- Subjects allied to medicine
- Biological sciences
- Veterinary science
- Agriculture & related subjects
- Physical sciences
15. The GW4 BioMed MRC DTP is keen to attract students from a range of backgrounds and will consider those demonstrating equivalent professional experience. Outline any other relevant academic or professional training or experience you have. Examples could include laboratory experiences or work placements in industry or any environment which may support transferable skills you think you would use in your PhD. (maximum of 200 words).

16. Please outline any relevant prizes, awards or funding that you have received (maximum of 100 words).
17. Please outline up to 3 examples of your recent research experience and training. This can be from your academic studies, placements or employment. Please include a title, summary, grade/outcome (where applicable), relevance and reflection. In your answer, please address how these experiences have benefited you and demonstrate your research potential. (maximum of 300 words).

18. Please list any of your published works, including the topic, journal, position in authorship and year. As applications will be assessed anonymously, avoid identifying information, such as authorship and title.

19. Please list any conferences you have presented at, including the presentation format, e.g. poster, paper, etc.
Please describe your attributes, skills and experiences that make you a good candidate for a PhD. (maximum 150 words) *Required
Page 8: Personal motivation and commitment

Please use this section to provide us with as much information as possible about your motivations for committing to a PhD.

21. a) Why have you applied to study for a PhD (maximum of 300 words)?

22. b) Why have you chosen to apply for these specific project(s) (maximum of 300 words)?

23. c) Why do you want to join us as a GW4 BioMed MRC DTP student (maximum of 300 words)?

24. Please outline any relevant periods of paid or unpaid employment (maximum of 100 words).
Any further information

Please provide any additional relevant information to support your application (maximum of 100 words). Please note that completion of this section is not compulsory.
We want to make sure that everyone is treated equally and fairly, which is why we're asking the following questions.

This information is collected anonymously and will be shared with the MRC in order to monitor the GW4 BioMed MRC DTP’s recruitment process.

This information will not be shared with anyone else and will solely be used to improve our services.

Page 12: Data Protection

Data Protection:

If you are applying for a place on a collaborative programme of doctoral training provided by Cardiff University and other universities, research organisations and/or partners, please be aware that your personal data will be used and disclosed for the purposes set out below.

Your personal data will always be processed in accordance with the GDPR 2018. Cardiff University (“University”) will remain a data controller for the personal data it holds, and other universities, research organisations and/or partners (“HEIs”) may also become data controllers for the relevant personal data they receive as a result of their participation in the collaborative programme of doctoral training (“Programme”).

Application Process

During the application process, the University may need to share some of your personal data with third parties to be able to administer your application, carry out interviews and select candidates. These are not limited to, but may include disclosures to:

- the selection panel and/or management board or equivalent of the relevant Programme, which is likely to include staff from one or more other HEIs;
- administrative staff at one or more other HEIs participating in the relevant Programme.

Such disclosures will always be kept to the minimum amount of personal data required for the specific purpose. Your sensitive personal data may need to be shared in certain circumstances, but only where strictly necessary. By applying for a place you hereby consent to your data being processed and shared in this way.

If you become a student on one of the Programmes

If your application is successful and you register on a Programme, the University may need to make further disclosures of your personal data throughout your time on the programme to ensure the effective management of your studies and comply with its obligations to funders. These disclosures may include, but are not limited to disclosures:

- within the group of HEIs to the Programme;
- to other collaborative parties to the relevant Programme, e.g. industrial sponsors and/or collaborators, supervisors from other HEIs, Research Councils (as funders of the Programme);
- to external examiners.

Other disclosures may be made where it is necessary for the administration of your studies.

Accessing your personal data

If you wish to have access to any of your personal data as held by the University, please contact InfoRequest@cardiff.ac.uk. There may be a fee of £10 associated with such requests.

Contact

If you have any queries or concerns about the use of your personal data during the application process or your time as a student, please contact PGR Quality and Operations (Registry) by emailing pgr@cardiff.ac.uk.

Page 13: Nearly Finished

At the bottom of this page, you are able to select a 'Finish Later' option and return to the survey.

Once you click 'Finish' on this page, your application will be submitted and cannot be edited by yourself or the DTP hub. Therefore, please ensure you have completed all sections before finishing.
Page 14: Thank You!

Thank you for your application!

We can confirm that it has been received. You will not be sent a confirmation email but please be assured that your application is now with the GW4 BioMed MRC DTP.

Your application will be considered by a panel of academics across the four GW4 institutions who represent the theme(s) in which your project choices sit.

All applicants will be informed of the shortlisting outcome by the 18th December 2020, and further information about the interview process will be circulated following this date.

We wish you the very best of luck!
